\$1,088,199 Low Bids On Bridge Remodeling

Venice Accepts Bids
Of Local, Baltimore
Firms; Below Estimate

Low bids totaling \$1,088,199 on remodeling of the McKinley Bridge were accepted by the Venice city council Friday night, subject to formal approval by the city's consulting engineers, Hardesty and Hanover of New York.

Engineers from the firm attended Thursday night's bid opening and indicated that both successful bidders are acceptable. Whiting-Turner Construction Co. of Baltimore, Md., bid \$701,710, on repairs to the bridge and General Contracting Co. of Granite City bid \$386,489 on improvement of the approaches and toll facilities.

Seven individual firms and two groups of two contractors each participated in the bidding, with over 30 persons attending the council room for the opening. There were eight bids on the bridge project and five on the approaches and toll stations. With the low bridge bid well under the estimate and the approach bids higher than estimated by the engineers, the total cost will be substantially less than anticipated, Mayor John E. Lee said.

Projects to be considered if there are enough funds left are painting of the bridge, installation of mercury vapor bridge lights and improvement of railings not included in the present work he reported.

The Whiting-Turner bid was announced as \$703,720, but was reduced \$2000 due to an error in extending unit prices and other \$10 due to an error in addition.

A Madison man, playing the role of a Good Samaritan, was hospitalized here early Saturday morning for head injuries suffered when he was thrown from the trunk of a stalled auto which started up suddenly.

Anthony Dubish, 18, a steelworker of 1027 Alton avenue, was admitted to St. Elizabeth's hospital at 12:30 a. m. to be treated for cuts to his head and abrasions to his legs.

Police, who were called to 19th and Benton streets about 11:15 p. m. Friday, said that Dubish had fallen off the trunk of the auto of Philip Cluts, 2205 Rock road, when the Cluts car started suddenly while being pushed. Dubish struck his head on the concrete pavement.

Police had been a passenger in a car driven by James Richardson, 1617 Sixth street, Madison, who stopped and offered to push Cluts' stalled auto. The injured man had volunteered to ride on the trunk of the stalled auto so the humpers on the two cars would match.

Police said there were no passengers in Cluts' auto.

The driver of the other car, John Pollock, 2914 East St. Louis, also was hurt and was treated at the local hospital for abrasions to his right knee and cuts to his face.

State police said Richardson was traveling north and was passing another car when the crash occurred near Pollock's southeast auto. Richardson's car was hurled a distance of about 30 feet from the point of impact, and the motorist was thrown about 10 feet from the car.

Quick Neighbor Saves Man, 20, With Clothes Afire

Mayor Will Not Run
For County Coroner

Quick action by an alert neighbor saved Thomas Compton, 20, from severe burns Saturday evening. Granite City police reported.

Compton, who lives at 2058 Fourteenth street, was using the garage of his neighbor, Robert Norn, 2000 Fourteenth street, from severe burns Saturday evening.

Police said Compton was cleaning the motor of his auto when gasoline fumes were ignited by an oil stove and Compton's clothing caught fire.

The excited man ran outside, and Norn, who had heard a muffled explosion and saw flames in his garage ran outside from his home. He instructed Compton to fall down and roll in the grass. The quick thinking resulted in Compton, an East St. Louis electrical firm employee, being treated at the local hospital for only second degree burns to his face and right arm.

Police were told Compton was using gasoline and a paint brush to clean the auto motor, which had been removed from the car and was hanging in the garage on a block and tackle. It is believed fumes, which had accumulated in the unventilated building, were touched off by an oil stove and that gasoline which Compton had spilled while working on the motor ignited.

Firemen from the downtown station who answered the alarm, set the fire loss at \$75, including \$50 to the garage building and \$25 to contents.

Dorich was arrested Nov. 17, 1959, when federal agents found a still in a building on Rural Route Three, East St. Louis. The local man pleaded guilty to the charge on that date and the case was referred to the probation office for investigation prior to sentencing.

Judge Os allowed Dorich a stay of execution until Jan. 29.

Court To Decide On Berry Case This Month

(Special from Springfield)
The Illinois State Supreme Court has listed an appeal by Marvin Dale Berry against a 10-to-20-year sentence on an armed robbery charge conviction stemming in Granite City, for final decision this month. The appeal is from the Madison county circuit court.

Berry, a St. Louis, was convicted in October 1958 on a \$5000 robbery which occurred Jan. 31 of the same year at Jacobmeyer's tavern. He was free on \$40,000 bail until the Supreme Court at its September term vacated an order making a writ of error surpetuor. The effect was to rescind the bail and send Berry to prison to start serving his sentence. He is now standing trial at Edwardsville for alleged participation in a burglary at Edwardsville while his conviction was on appeal.

The rescinding of his bail was asked by Madison County State Atty. Dick H. Mudge Jr., who termed Berry a "habitual criminal," citing the charge that he participated in the Edwardsville burglary and that because of this was a menace to society.

Police Capture Five Youths In Theft of Auto

Arrest of five East St. Louis youths in Madison Thursday led to solution of an East St. Louis auto theft. They were released to East St. Louis police the same day for prosecution.

Taken Jan. 3 from Ernest Johnson, East St. Louis, the auto was spotted by Granite City officers while it was going in the opposite direction to their patrol car. The officers relayed the license number to their station, learned that the plates had been stolen and alerted all Quad-City police cars.

The car had been heading toward Madison, and Madison police stationed at Sixth street and McCambridge avenue saw it when it reached Sixth and Alton avenues.

They gave chase on Alton, Fourth street, Downing avenue and Second street and halted the car at Second street and Madison avenue, where Venice police were waiting. Officers from all three departments took the group and the car to the Madison headquarters.

Police found a straight razor, pocketknife and screwdriver under the front seat. When questioned, members of the group admitted having stolen the car. All were wearing identical black leather jackets. Four are 17 years old and one is 16.

New Doctor Opens Office In Quad-Cities

The Quad-Cities have a new physician in the person of Dr. R. G. Lukat, a native of West Germany, who has set up a general practice at 305A Madison avenue.

Because of commitments in Alton, where Dr. Lukat has worked the past year-and-a-half and presently resides, the Madison office hours will temporarily be from 6 to 9 p.m. every night except Monday, Friday and Sunday, when the office will be closed.

"In the near future I hope to set up regular hours during the workday," Dr. Lukat told the Press-Record.

The 35-year-old doctor finished medical school in Germany in 1950 and practiced in a town near Bremen, in the northern part of the country, until 1956 when he came to this country.

He worked two years, one as an intern and the other as resident, in the West Suburban Hospital in Oak Park, Ill., near Chicago, before moving to Alton where he worked at the state hospital.

Dr. Lukat, who is now looking for a residence in the Quad-Cities, is married and has a 22-month daughter. Both his wife and daughter are named Susan.

Madison Lost Found

Quanday Thursday by Madison police, Heil and Metzger gave signed statements admitting a Nov. 16 burglary at Tilling-Norberg's McCasland Market, 2002 McCasland avenue. Loot included a typewriter valued at \$139, a book of discount stamps, a small amount of cash and a portion of a ham.

A third man believed involved in being sought.

The typewriter was returned to the owner for \$25 after being recovered Thursday from an East St. Louis pawn shop operator who said he had paid that amount for the machine. Madison police, who had supplied the name of the shop, a description of the typewriter and the fictitious name under which it was pawned, refused payment of the \$25 but advised the owner that they were told it was the only way to recover possession.

East St. Louis police gave the first notification that the payment would be necessary, and a member of the East St. Louis police department, was present when the amount was paid.

Madison police said such payments are not made in Madison county, since the pawn shop proprietor could be subject to prosecution for possession of stolen merchandise. They said it has been the practice here to confiscate such items and return them to the original owner.

Heil and Metzger also admitted to Madison police that they broke a front window at Clinton's tavern, 1663 Market street, on the early morning of Nov. 27.

County Break-ins

They admitted four break-ins at county establishments during an interrogation over the weekend. The sheriff's office said they admitted thefts at Zamaroni's tavern on Route 111, Mary's tavern at Ponton Beach, the Diamond Inn on Highway 3 and Sub-Hi confectionery opposite the Madison high school.

Announces Candidacy For Trustee of East Side Sanitary District

It is my belief that a candidate for any public office should make clear what he stands for and why he is seeking that office.

I am a candidate for the Democratic nomination for the office of Trustee of the East Side Sanitary District. The term of office is for four years and it pays a salary of \$1000 per year.

I believe that the Sanitary District can be operated in a business like fashion. Among other things this means that every person employed by the Sanitary District must be performing tasks commensurate with their pay. I will not be responsible for any person employed on the Sanitary District pay roll who is not working for his salary.

I will bend every effort toward seeing that Madison County obtains services from the Sanitary District in proportion to the taxes contributed by Madison County to the District.

I feel the sanitary district should perform only those tasks which it can most efficiently perform and these should be performed with as high a regard for the tax dollar as possible.

Any services presently rendered by the sanitary district or proposed at some future time will be rendered by it should be performed only if the sanitary district is the logical government agency to perform them.

I will give Madison County able and energetic representation, that is representation of all the citizens of Madison County and not any special interest group.

Signed: ERNEST ELL

I am a director of the Granite City Steel Credit Union and a member of the Elks Lodge and Moose Lodge at Granite City. My wife, Mrs. Mary Jayne Ell, and I have a son, Ernest, Jr., and two-year-old twin daughters, Stacy and Shelly.

I am a rolling mill speed control operator for Granite City Steel Co. and have been employed by that firm for 28 years. Also I am a 20-year member of the Steelworkers Union and president of the Granite City Board of Fire and Police Commissioners and have been a Board member for 10 years.

Classic Loop Victories To Spengler Oil, Exterminators

Modern Exterminators were held to less than 200 points in a game for the first time this year Thursday night at the Coolidge gym, but had little trouble in preserving their unbeaten skein with a 93-69 victory over Friedman's of Madison in park Classic League basketball play.

Paced by Bill Page with 26 points and Dave Hrynsky with 23, the Exterminators jumped off to a 22-10 first period lead, added 26 points in the second period and mastered to their fourth straight win.

Spengler Oil had even an early lead in the second game, trouncing the undermanned Teachers 70-30. The losers played without two scorers, Bill Terrell and Bob Miller.

Held to only 22 points in the first half, Friedman's opened up in the final 16 minutes and outscored the Exterminators 47-45, but could not erase the winners' early lead.

Don Williams hit 20 points for the losers, and Charles Johannigler canned all of his 16 points in the second half. The Exterminators used only five players, and all of them hit in double figures. Following Bill Page and Hrynsky were Don Lybarger and Bob Page with 16 each and Ken Dinslag with 10.

The Teachers had a miserable first half, scoring just eight points and being held to only one field goal in the second period. Spengler Oil meanwhile was being away to a 34-8 halftime lead.

Joe Gonzales rimmed 20 points for Spengler Oil, and was followed by Gus Linnard, with 16, Walt Wilson with 12 and Art Borchers with 11. Chuck Weiss' eight points topped the Teachers.

Squires Take Over Teenage League Lead

A new leader emerged in the Granite City park district's Senior Teenage basketball league Thursday night as the Columbian Squires staged a second-half comeback to hang a 61-47 victory over previously unbeaten Explorer Post 18 of Sacred Heart Church.

The Squires, getting double-figure performances from four players, had too much balance and height for Post 18, which had the court with a 4-1 record. The winners are now 4-0.

The Explorers outscored the Squires 15-10 in the second period to take a 24-23 halftime lead, but 18 and 20-point efforts by the league leaders in the third and fourth quarters, plus a tight zone defense, proved the difference.

Larry Wright pumped in 16 points, most of them from outside, for the Squires, while Larry Todoroff matched his output for Post 18. Harold Ellis had 14, Bob Hoffer 13 and Mike Schuler 10 for the Squires, with Jack Salitch adding 13 to the Post 18 total.

The Explorers hit only 11 of 26 free throws and were outscored from the field, 21-18.

Edwardsville Frosh Edge Coolidge 9th Grade 53-49 Here

Improving with each game, Coolidge ninth graders were defeated by Edwardsville freshmen here Thursday 53-49. Earlier in the season, Edwardsville beat the Braves by "only" 53-41. The Squires dropped to the last half.

The game was close throughout, although Coolidge was never in the lead after a brief time shortly before the first half ended. Edwardsville led 11-10, 27-22, 40-32 at the quarter marks.

Had the Braves been hitting adequately they might have won. John Tomcoff's team sank only 15 of 53 shots for 28% while the Squires hit 19 of 55 shots for 35%. Edwardsville made 15 of 29 free throws and Coolidge made 13 of 19.

The Braves will travel to Belleville tonight for a game with the tough Junior Maroons. The next home game is against the Braves by "only" 53-41.

The scoring: Coolidge—Worthman 25, Papp 10, Hoffman 8, Tayan 4, Nobis 2. Substitutions: Boyd, Hahn.

GC Grapplers Beat Oilers, 33-16 Friday; Trgovich Out

Hampered by injuries, Granite City wrestlers defeated Wood River, 33-16 Friday afternoon on the Joser's mat. Earlier in the year the Warriors had beaten the Oilers, 39-8.

Although the point difference was also high Friday, the individual bouts were in many cases close battles and Granite City was without the services of three of its outstanding wrestlers.

Mike Trgovich, undefeated for the season, sat out the meet with two boils on his arm, and John Danco is out for the season because of a bad knee. The third wrestler, Dave Ewever, was overweighed. Brewer is also undefeated for the year.

Davis Returns
One ray of hope for William Schmitt's Granite City wrestlers was the return of Jon Davis, who was injured in a previous season physical education class accident. Davis defeated Mike Bandy of Wood River, 7-3, in the 127-pound class.

Boris Kusanoff of Wood River, who had lost to Danco, 8-1, in the earlier match, defeated Danco's replacement in the 133-pound class, Dan Drawley, by a fall in 5:12.

Bill Ridings, who has been beating everybody in the heavyweight class since he lost the first bout of the season, took the year's team point lead when he defeated Jim Kanter, 6-0, in the 150-pound class.

Granite City travels to Normandy, Mo., Thursday night for a game with the tough Junior Maroons, who directed Oak Lawn to second place in the Illinois State Tournament last year.

Coolidge Wrestlers Top Normandy, 46-10

Coolidge's wrestling team won its 19th straight match over a three-year period Friday afternoon at Normandy, Mo., 46-10. The Braves won seven falls to the host schools' two.

Coolidge was never in trouble as Bob Whelan's team took nine straight bouts before Normandy could finally win one. The first four wins were pins.

Besides the two bouts lost by pins, the 180-pound class was the toughest match for the Braves. Gary Reiss and Normandy's Jim Redd were tied 8-8 in the final period when Redd was disqualified for unsportsmanlike conduct.

In exhibitions Forrest Miller wrestled to draw in the 50-pound class and Jim Davis helped out with 16.

The victory, the Eagles' third straight after a season-opening defeat, boosted them ahead of the Idaho Engineer Dept. Church squad, which stands 2-1. The Eagles had moved to a 14-10 first quarter lead and widened it by halftime to 33-24.

WEATHER OR NOT... Illinois Power linemen are available for duty 'round the clock... doing their best to keep your electricity always ready at the flick of the switch

Before winter strikes, our crews work for months getting ready for its onslaught. Pruning tree branches that threaten power lines. Doing preventive maintenance on every piece of equipment exposed to the elements. Double-checking electric transmission lines with low flying planes.

Occasionally—in spite of the best that money, machines and men can do to prevent it—branches overburdened with snow or ice may cause a temporary outage. If it happens, no matter what the weather or what time of day or night, Illinois Power crews are on the scene fast... doing their best to make sure that your inconvenience, if any, is brief.

It is skilled, dedicated employees like these that make it possible for us to say—"At Illinois Power, serving you comes first."

HOME ADVISOR SPEAKS ON "FASHIONS FOR LIVING"
Mrs. Elaine Wendler, home advisor for the Madison County Home Bureau, was guest speaker Wednesday afternoon during the January meeting of the Granite City Home Bureau Unit, held in the educational building of St. John United Church of Christ.

(Presenting the first major lesson in a series of three dealing with "Home Furnishings," Mrs. Wendler initiated the series with a discussion on the topic, "The Living Room - Fashions For Living." Principal attention was drawn by the county advisor to the most flattering styles in draperies and in color combinations of floor and wall coverings. Serviceability of various fabrics was compared from results of numerous tests made by manufacturers and independent search companies, with special emphasis placed on new synthetic materials and their increasing use by today's homemakers and professional interior decorators.

The minor lesson, "Desert Panache," was taught by Mrs. Georgia Engelle and Mrs. Ann Hawkes, who provided a practical demonstration of their subject by baking and serving the food items discussed.

Mrs. Norma Jean Ross, president, was in charge of the business session following the program, with plans being made by several members to participate in the annual conference of the Illinois Home Bureau Federation to be held at the University of Illinois, Urbana, Feb. 2 and 3. Leading home economists and other speakers will be heard during the two-day convention, which is scheduled to be attended by representatives from all the local home bureau units.

Mrs. Ross expressed her appreciation to the regular members of her cooperation in serving a banquet for the Madison County Farm Bureau members recently in the new Farm and Home Building, Edwardsville. New program books for the coming year were distributed by the program chairman, Mrs. Mabel Turnbull and Mrs. Betty Holt, and an explanation of the general trend of topics slated for discussion was made to the new members present.

Mrs. Engelle invited members to hold their next regular meeting at her home on Rural Route One, preceded by a luncheon for which a nominal charge will be made, with all proceeds donated to the continuing support of 4-H work. Mrs. Engelle also assisted in arranging the luncheon by Mrs. Hawkes.

Refreshments were enjoyed, the table being appointed with red and yellow tapers in gold candleholders flanking a novel centerpiece. Guests of the unit who were welcomed by Mrs. Ross included Mrs. Virginia Melville, Collinsville, a member of the Maryville Home Bureau Unit, and Mrs. Ann Pave.

Members present were Mrs. Charlotte Temple, Mrs. Vera Carey, Mrs. Ellen Miller, Mrs. Mary Lou Allen, Mrs. Ann Tucker, Mrs. Leonora Hawkes, Mrs. Anna Kunenberger, Mrs. Elizabeth Morrison, Mrs. Gen Hill, Mrs. Evelyn Haack, Mrs. Lois Lester, Mrs. Gladys Gehlman, Mrs. Marcia O'Brian, Mrs. Freddie McElroy and Mrs. Amy Turnbull. The unit will hold its next meeting Feb. 3.

MRS. ROSS IS HOSPITAL

GC Marriages, Divorces Both Topped 1958 Totals

The number of marriage licenses issued in Granite City during 1959 again topped the number of divorces granted during the same period, a check of records kept by clerk L. J. Stevens and the office of the clerk of the city court, Mrs. Helen Homan, show today. The marriage license total for the year just ended was 217, as compared to 210 in 1958, while final divorce decrees granted showed a bigger jump, from 130 in 1958 to 159 in 1959.

Contrary to the popular belief that June is the month of brides, a breakdown showed four other months in which more marriage licenses were issued by Stevens.

They were April, May and July, each with 28, and August the top month with 26. Only 22 licenses were issued in June. The low point during the year was reached in November, when only six were issued. The figures for the remaining months were: January 18, February 14, March 11, September 18, October 11 and December 21.

City Court records showed a total of 329 marriages and divorces suits filed in 1959. Of that total, 221 were divorce suits. Of the 108 marriages granted, 105 were on the grounds of extreme and repeated cruelty, 30 on charges of desertion and neglect and 13 on other grounds.

Only 143 of the divorce suits were filed in 1958. Eighteen divorce suits were also filed with the clerk of the City Court during the past year.

Source of marriage and divorce statistics said their records were complete, but do not present a completely accurate picture for 1959. The records do not contain the number of marriages granted to local persons outside of Granite City, or divorce decrees granted elsewhere.

The figures for the remaining months were: January 18, February 14, March 11, September 18, October 11 and December 21.

City Court records showed a total of 329 marriages and divorces suits filed in 1959. Of that total, 221 were divorce suits. Of the 108 marriages granted, 105 were on the grounds of extreme and repeated cruelty, 30 on charges of desertion and neglect and 13 on other grounds.

Only 143 of the divorce suits were filed in 1958. Eighteen divorce suits were also filed with the clerk of the City Court during the past year.

Source of marriage and divorce statistics said their records were complete, but do not present a completely accurate picture for 1959. The records do not contain the number of marriages granted to local persons outside of Granite City, or divorce decrees granted elsewhere.

They were April, May and July, each with 28, and August the top month with 26. Only 22 licenses were issued in June. The low point during the year was reached in November, when only six were issued. The figures for the remaining months were: January 18, February 14, March 11, September 18, October 11 and December 21.

Tri-Hi-Y Members Hear Lecture On Hypnosis

The CXO Tri-Hi-Y met Saturday at St. Elizabeth Hospital to hear a lecture on hypnosis by Sister Teresa.

The lecture covered many phases of hypnosis, and explained the advantages of this newly-discovered method of achieving comfort. It was pointed out that medical hypnosis is not like stage-hypnosis; the patient is never embarrassed or forced; he never does anything he would not like to do; and that hypnosis should not be used for entertainment.

In the discussion of self-hypnosis, it was said that this can be used to overcome pain in surgery, childbirth, cancer and other medical cases. Members of the club were informed on ways of combatting unnecessary habits by the power or "positive thinking"—forms of self-hypnosis. Examples were given of how everyone uses some form of hypnosis every day, such as telephone, TV, or anything that requires complete attention.

Sister Teresa recommended a lecture on hypnosis to be given at the National school auditorium at 8 p.m. Tuesday, Jan. 19. She also called the Club's attention to a book, "How to Live 365 Days a Year" (Make that 366 for this year.)

Members attending were Ad Virgins, Gail Gargac and Joan Spengel and Mary Bush, Carol La Macchia, Sharon Little, Carol La Macchia, Helen McKinney, Elma Roberts, Nancy Segedy, Peggy Skipper, Linda Watts, Judy Williams and Nancy Woodward.

Future plans of the club include a tour of the hospital in the near future.

Speeding Ticket
Two motorists were arrested Sunday afternoon by Granite City police on charges of speeding. They were Emory L. Wright, 27, of Ferguson, Mo., who was arrested at 3:25 p.m. and freed on \$11 cash bail, and John W. Douglas, 24, of 2932 Morgan street, who was arrested at 4:30 p.m. and posted his driver's license as bond.

Speeding Ticket
Henry E. Hindman, 24, of 2316 Oak 21st street, was issued an arrest ticket Thursday at Washington avenue and Nameoki road by Granite City police who charged him with speeding. He posted his driver's license as bond.

MRS. DEZAN HOSTESS
The Chatterboxes club met Thursday evening at the home of Mrs. Nellie Dezan. High scores were held by Mrs. Caroline Sander, Mrs. Josephine Kubelka, Mrs. Ann Barry, Mrs. Mary Yobly and Mrs. Mary Gregus. Others present were Mrs. Helen Gieselmeyer, Mrs. Ann Fyrtzko, Mrs. Mary Zikovich, Mrs. Mary Kubelka, Mrs. Mary Bucherich and a guest, Mrs. Agnes Baranica.

Refreshments were served by the hostesses. The club will meet in two weeks at the home of Mrs. Mary Zikovich.

Den One of Cub Pack Six met Thursday evening with Mrs. Laverne Rapp and Mrs. Leona Clark. The boys worked on achievements, made a game, worked on science for the January pack meeting and played games. Refreshments were served to Michael Boyd, Robert Clark, Dennis Clark, Larry Rapp and two guests, Gary Rapp and Jimmy Chik.

Den Five of Cub Pack 23 met Thursday evening with Mrs. Ruby Robertson and Mrs. Juanita Nicks. The boys gave the pledge to the flag and played games. Refreshments were served to Paul Bowler, Kirby Nicks, Charles Robertson, Douglas Hicks and George Hicks.

GC Madison Cage Rivalry Flares Here Tomorrow

Back in the win column after a disastrous evening last Tuesday, the Madison Tigers will have a remarkable 48-15 Friday night to defeat Bunker Hill on the losers' court, 77 1/2.

Andy Sullivan and Charles "Buddy" Mueller, neither satisfied with showings of their clubs in recent games, will match wits and talent at the GCHS gym at 8:30 p.m. tomorrow as the Warriors and Trojans meet in the first of the season's two inter-city contests.

Both high school squads will go into the game with outstanding records. Granite City with 11-2 and Madison 8-2. Both hold second place in their conferences and both will be attempting to extend short winning streaks.

Granite City has defeated Jerseyville and Wood River in the Madison County conference game to Pinckneyville in the Centralia holiday tournament, while Madison has clipped Roxana, Highland and Venice. Quincy since moving to Litchfield in the Collinsville invitation.

Not much was settled in the cross-town rivalry last season when Madison grabbed the first game and was defeated later in the year at Granite City.

Madison's victory factors will add interest in tomorrow's game.

Madison's Young will be singing his high school cage swan song in the contest. The senior forward, who has come on strong in recent outings, scored a relatively slow start, becoming 19 years of age last week.

Granite City's Bob Price will be making his first appearance against his old teammates. Price moved into the Granite City squad during the summer months.

A slight height advantage belongs to Madison. The Warriors are 6-2, while the Trojans are 5-10.

MJHS Drops Fourth Straight Contest
Friday, 33-27

Madison junior high school dropped its fourth straight game Friday night, losing to Collinsville 33-27. In the game held at Collinsville, the Trojans led the final 10 minutes, but failed to convert bonus free throw opportunities and shot only .308 from the floor.

Leading 9-7 after one quarter, Madison trailed 15-15 at the end of the second quarter. The Trojans led the third quarter, but were held to only two minutes left.

Madison's Leonard, who shot 12 points, Herb Wright and Clinton Robinson scored 12 points each. Madison's Leonard, who shot 12 points, Herb Wright and Clinton Robinson scored 12 points each.

Hosts Hit Early

Bunker Hill, deep in the Madison County conference game, had a 15-0 lead in the first quarter.

"They missed only three shots," Wells observed, as the Trojans hit from outside and the corners and were down only 15-23 after one quarter of play.

Bunker Hill, aware that their squad, now 0-8 in MJC play, was playing inspired ball, led the second session.

The Trojans, who were 54 despite 19 points by Bruce McClain and 15 more by Steve Corrie.

The Venice scoring: Hand 38, Moad 26, Larry Gray 9, John Corrie 4.

Lincoln Begins Defense of Wesclin Title Tonight; Red Devils Also Play

Unfortunately, someone's fine basketball record just has taken a turn for the worse this evening in New Baden, that fact became apparent earlier when the pairings in the third annual Wesclin Invitational tournament were released.

The eight-team meet gets underway at 8 p.m. in the second session, when Lincoln will defend its title against the Red Devils.

The Eagles have split a pair this season with the Red Devils, losing on their home court last Tuesday, 41-67, then coming back to upset Zahn Wells' crew 80-76 on Jan. 15.

The lower bracket of a tournament in which the MJC conference is well represented, 9-2 Lincoln will meet a 4-8 side, Highland, while Wesclin (10-2) meets 4-8 Aviston. These games are set to start 8:30 p.m.

Victories by the Rams and Devils in the first round would result in a meeting of the cross-town schools in the semi-final bracket at 8:30 p.m. Wednesday night.

The tourney is a double elimination affair, with two games to be played each evening Monday through Wednesday.

The winners of the championship semi-final games which will not involve the Venice teams will play the consolation and third place finals on Friday night.

Admission to the championship session is 75c for adults and 40c for students, while admission to all other games is 60c and 40c.

2nd-Half Spurge Give Central Win
At Roxana Thursday

Central grade school boosted its record to 2-0 Friday night for the first time since Dec. 8 Thursday night with a 44-30 win over Roxana on the losers' court.

"We hustled, controlled the boards and in general looked good," Coach Alvin Miller, leading only 18-15 at the third quarter opened, Central tightened its grip on Roxana to 15 points in the last half and scored 26 itself.

Chuck Miskewitz topped Central scorers with 13 points, while teammate Jim Pomeroy added 12 and Larry Rector 11. Bob Martinez netted three, John Hooper and John Van Dusen two each and Jerry Hayes one.

Central now owns a 4-3 record, and will look to improve it in Cahokia tomorrow night.

Pfc Nelson Takes Part In European Field Exercise

Army Pfc. Robert L. Nelson, 23, son of Frank E. Nelson, 2828 West 20th street, recently participated with the 8th Division's 18th Infantry in a field training exercise in Germany. The exercise, conducted under realistic combat conditions, was designed to determine the combat effectiveness of the infantry

under extreme cold weather conditions. Nelson, a cook with the 18th's Company A in Sandhorn, entered the Army in July 1958 and completed basic combat training at Fort Riley, Kan. He arrived overseas last February. Nelson was graduated from Granite City high school in 1954 and was employed by the Tri-City Grocery Co. before entering the Army.

No injuries were listed but the Spears auto was towed away. Police said a third car operating by William H. Champion, 1000 Reynolds street, Madison, was pulling away from the curb and forced the northbound Roman auto to swerve into the southbound Spears auto. There was damage to the front of the Roman auto and to the left front of the Spears car.
